rushdan.mn@yahoo.com | Malappuram, Kerala, India | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Detail-oriented finance and accounting professional and **ACCA Affiliate** (all papers completed), holding a **B.Com** and currently pursuing an **MBA** in Finance. Presently working as a **Corporate Trainer & Faculty** at GAMA, delivering training in auditing, taxation, accounting, **finance and Excel**, backed by **hands-on experience managing business finances**. Strong grounding in financial reporting, IFRS and ISA concepts, audit risk assessment and financial analysis, with working knowledge **of Excel, Power BI, Tally and Zoho**. Seeking to contribute to accounting, audit and financial analysis roles.

WORK EXPERIENCE

Corporate Trainer & Faculty **July 2026 - Present**

GAMA (Global Auditing & Accounting Mastery Academy) | Kottakkal, Kerala, India

- Design and deliver corporate-style training in **Bookkeeping, Audit, VAT and Corporate Tax** across **8 modules**, turning technical concepts into practical business scenarios that move learners from fundamentals to application.
- Trained **40+ learners across 3 batches** and conducted **60+ hours** of live sessions per **month**, while reviewing **120+ CVs** and running **30+ mock interviews** to improve job readiness.
- Conduct **AI in Finance** sessions covering practical uses of **AI tools** in accounting, data analysis and reporting workflows.
- Facilitate work-simulation sessions using **real-world** case studies, live Microsoft Excel demonstrations and accounting software exercises that mirror tasks in accounting and audit roles.
- Demonstrate accounting software workflows **Tally, Zoho, Xero** so learners gain hands-on exposure before entering the job market.
- Create presentation decks, practice sheets and reference material for each module, and **design assessments** and practical tasks to track learner performance and adjust upcoming sessions.
- Give **individual feedback** on assignments and **mentor learners** through difficult topics, adapting explanations to different learning levels to improve accuracy and confidence.
- Guide learners on career pathways in accounting, audit and finance, including **ACCA**, while supporting **CV** preparation, interview readiness and employability skills.
- Developed **end-to-end working** knowledge of accounting, audit and tax processes through hands-on practice at an **ODIFY** - **backed academy,** applying it directly in classroom training.
- Introduce learners to **Power BI** dashboards for visualizing **financial and sales data**, showing how to turn raw data into clear insights for accounting and audit decisions.
- Integrated **Power BI** demonstrations into **AI in Finance** and Excel sessions, helping learners see how modern analytics tools support reporting.

SKILLS

- **Finance & Accounting:** Audit & Assurance, Financial Reporting, IFRS and ISA, Audit Risk Assessment, Internal Control Evaluation, Substantive Audit Procedures, Financial Statement Analysis, Taxation Basics, Compliance Review, Budgeting, Costing & Forecasting
- **Analytical:** Trend Analysis, Data Analysis, Error Identification, Problem Solving, Attention to Detail
- **Software & Tools:** Microsoft Excel (Advanced), Power BI, Python for Finance, Tally ERP, XERO, Zoho, QuickBooks, SAP FICO, MS Word, MS PowerPoint
